Social Assistance in Albania Harold Alderman 1998-01-01 Albania provides a small amount of social assistance to nearly 20% of its population through a system which allows a degree of community discretion in determining distribution. This study investigates the poverty targeting of this program. It indicates that relative to other safety net programs in low income countries, social assistance in Albania is fairly well targeted to the poor.

Transnational Management: Text, Cases & Readings in Cross-Border Management Christopher A. Bartlett 2008 TRANSNATIONAL MANAGEMENT focuses on the management challenges associated with developing strategies and managing the operations of companies whose activities stretch across national boundaries. The purpose of this book is to provide a conceptual framework of the interplay between the multinational corporation, the countries in which it does business, and the competitive environment in which it operates. Through text narrative, cases, and readings, the authors skillfully examine the development of strategy, organizational capabilities, and management challenges for operating in the global economy.

Ranger Confidential Andrea Lankford 2010-04-02 For twelve years, Andrea Lankford lived in the biggest, most impressive national parks in the world, working a job she loved. She chaperoned baby sea turtles on their journey to sea. She pursued bad guys on her galloping patrol horse. She jumped into rescue helicopters bound for the heart of the Grand Canyon. She won arguments with bears. She slept with a few too many rattlesnakes. Hell yeah, it was the best job in the world! Fortunately, Andrea survived it. In this graphic and yet surprisingly funny account of her and others' extraordinary careers, Lankford unveils a world in which park rangers struggle to maintain their idealism in the face of death, disillusionment, and the loss of a comrade killed while holding that thin green line between protecting the park from the people, the people from the park, and the people from each other. Ranger Confidential is the story behind the scenery of the nation's crown jewels—Yosemite, Grand Canyon, Yellowstone, Great Smokies, Denali. In these iconic landscapes, where nature and humanity constantly collide, scenery can be as cruel as it is redemptive.
