So why is she so unhappy? It takes the arrival of Evan Kirkland for Lauren to figure out the answer: She's been holding back. She's been denying herself a bunch of things (like sex) because staying with her loyal and gorgeous boyfriend, Dave, is the "right" thing to do. After all, who would give up the perfect boyfriend? But as Dave starts talking more and more about their life together, planning a future Lauren simply can't see herself in -- and as Lauren's craving for Evan, and moreover, who she is with Evan becomes all the more fierce -- Lauren realizes she needs to make a choice...before one is made for her.

**Firstborn Tor Seidler 2015-03-03** A young wolf seeks the bravery to be himself in this "rich take on the wild that quickens the pulse and fills the heart" (Kirkus Reviews), from the author of National Book Award Finalist *Mean Margaret* and *The Wainscott Weasel*. Wolves. Predators of the wild. Stalkers of the forests. Born into rankings and expected to live up to their roles. Blue Boy, the alpha male of his pack, is the largest wolf many have ever seen, and his dream is to have a firstborn son who will take after him in every way. But Lamar is not turning out the way his father hoped. Lamar likes to watch butterflies. He worries if his younger siblings fall behind in the hunt. He has little interest in peacocking in front of other clans. Blue Boy grows increasingly dismayed at Lamar's lack of wolf instincts, and then Lamar does the intolerable: he becomes attracted to a coyote. While the other infractions can be begrudgingly tolerated, this one cannot, and the unity of the pack is in jeopardy. Lamar wants to make his family happy, but is doing what is expected of him worth losing the only true friend he's ever had? Full of bite and beauty that will make you think of *White Fang*, then *Ferdinand*, this story cuts to the heart of what's most important: being true to yourself, and being true to others.

**Good and Cheap Leanne Brown 2015-07-14** A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for *Good and Cheap* is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it "Terrific!"; and Michael Pollan, who cited it as a "cool kickstarter." In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, *Good and Cheap* is poised to become a cookbook that every food lover with a conscience will embrace.

**Lydia Cassatt Reading the Morning Paper Harriet Scott Chessman 2001-10-02** Harriet Scott Chessman takes us into the world of Mary Cassatt's early Impressionist paintings through Mary's sister Lydia, whom the author sees as Cassatt's most inspiring muse. Chessman hauntingly brings to life Paris in 1880, with its thriving art world. The novel's subtle power rises out of a sustained inquiry into art's relation to the ragged world of desire and mortality. Ill with Bright's disease and conscious of her approaching death, Lydia contemplates her world narrowing. With the rising emotional tension between the loving sisters, between one who sees and one who is seen, Lydia asks moving questions about love and art's capacity to remember. Chessman illuminates Cassatt's brilliant paintings and creates a compelling portrait of the brave and memorable model who inhabits them with such grace. *Lydia Cassatt Reading the Morning Paper* includes five full-color plates, the entire group of paintings Mary Cassatt made of her sister.

**Serving At-Risk Teens Angela Craig 2013** Working with at-risk teens, including those who are homeless, incarcerated, or in foster care, is a rewarding but often challenging endeavor, especially with a growing number of at-risk teens in both urban and rural areas of the country. Shows how to understand the needs of at-risk teens, including a discussion of the factors that place teens at risk. Examines diversity within the at-risk population. Suggests ways to partner with youth facilities, with real-world examples of working with non-library personnel and caregivers. Provides guidance for collection and resource development. There's just something about Flynn. Yes, he's a tall, unbelievably gorgeous, dark-haired football player, but . . . he's also sweet and nice and super easy to talk to. It's lucky I'm the photographer for the school paper, because my camera likes Flynn almost as much as I do. Unfortunately for me, so does my sister, and there's no way I can nab Flynn with her in the picture. But could this be the real thing?

**Easy Kerry Cohen Hoffmann 2008-06-30** Easy. At the ripe young age of fourteen Jessica has discovered that getting the attention she wants is just that -- easy. It's not the attention of a divorced mother who spends all of her time grieving over a broken marriage. Nor is it that of a father with a new girlfriend who's moving on with his life. It's certainly not the attention of a clueless older sister or a best friend since grade school who still acts like she's in grade school. No. For some reason being noticed by her friends and family seems to have become almost impossible. Boys -- and men -- are a different matter altogether. With the right clothes and attitude, Jessica realizes that she can get all the male attention she wants. What she doesn't realize is how easy it is to get more than you're ready for. In this compelling and often harrowing novel for teen readers, first-time author Kerry Cohen Hoffmann delves into the mind of a teenage girl as she attempts to replace the shifting relationships with friends and family with sexual exploration. With candid storytelling rooted in years of personal experience, Mrs. Hoffmann offers a searing look at how easy it is to take a wrong turn in search for the right answers.

Rion has always been fascinated by Papa Kwirk, especially as his son—Rion's father—is the complete opposite. Where Dad is predictable, nerdy, and reassuringly boring, Papa Kwirk is mysterious, dangerous, and cool. The Light Over London Julia Kelly 2019-01-08 Reminiscent of Martha Hall Kelly's *Lilac Girls* and Kristin Hannah's *The Nightingale*, this entrancing story "is a poignant reminder that there is no limit to what women can do. A nostalgic, engrossing read" (Julia London, *New York Times* bestselling author). It's easier for Cara Hargraves to bury herself in the past than to confront the present, which is why working for a gruff but brilliant antiques dealer is perfect. While clearing out an estate, she pries open an old tin that holds the relics of a lost relationship: an unfinished diary from World War II and a photo of a young woman in uniform. Captivated by the hauntingly beautiful diary, Cara begins her search for the author, never guessing that it might reveal her own family's wartime secrets. In 1941, nineteen-year-old Louise Keene feels trapped in her Cornish village, waiting for a wealthy suitor her mother has chosen for her to return from the war. But when Louise meets Flight Lieutenant Paul Bolton, a dashing RAF pilot stationed at a local base, everything changes. And changes again when Paul's unit is deployed without warning. Desperate for a larger life, Louise joins the women's auxiliary branch of the British Army in the anti-aircraft gun unit as a gunner girl. As bombs fall on London, she and the other gunner girls show their bravery and resilience while performing their duties during deadly air raids. The only thing that gets Louise through those dark, bullet-filled nights is knowing that she and Paul will be together when the war is over. But when a bundle of her letters to him are returned unopened, she learns that wartime romance can have a much darker side. "Sweeping, stirring, and heartrending in all the best ways, this tale of one of WWII's courageous, colorful, and enigmatic Gunner Girls will take your breath away" (Kristin Harmel, bestselling author of *The Room on Rue Amelie*).
