Heart of Glass Nicole Jacquelyn 2018-07-10 From the author of Unbreak My Heart comes an "enjoyable interracial romance" (Publishers Weekly) about secrets, friendship, and forgiveness that fans of "Colleen Hoover and Mia Sheridan will love." (Harlequin Junkie) Henry Harris was living his dream as a staff sergeant in the Marines. When he's killed in action, his devastated family is in for one more shock: he had a daughter they never knew about. Morgan Riley has been raising Etta on her own, and that's always been fine by her - until Henry's brother Trevor arrives on her doorstep, willing to do anything to help and make up for his brother's mistakes. Their attraction feels wrong, but Morgan can't seem to turn him away. Trevor is suddenly in too deep. He has always wanted a family, but Etta and Morgan come with complications. Yet as Etta brings them closer together, Trevor begins to imagine giving Morgan and Etta the life his brother never could. But he wonders if Morgan will ever learn to trust another man with her heart, especially a man whose last name is Harris. Praise for Nicole Jacquelyn "Top Pick! Change of Heart is sexy, emotional, and the perfect follow-up to Unbreak My Heart. Fans of Colleen Hoover, Jamie McGuire, and K.A. Tucker will enjoy Change of Heart."-- HarlequinJunkie.com

Craving Resurrection Nicole Jacquelyn 2015-01-26 Patrick Gallagher's future was mapped out—and it didn't include Amy Henderson or the IRA. She was everything he'd never wanted. Too young. Too naïve. Unfortunately, he couldn't help but be fascinated by the girl who took refuge in his old bedroom, staying with his mum more often than not. She looked like a Renaissance painting and argued like a solicitor. He couldn't resist her, and before long he

didn't even want to. Instead, he loved her unreservedly... then he married her. But he couldn't have prepared for what happened after. Actions, no matter how large or how small, have consequences—and when the IRA comes knocking, he's sucked into a life that he'd never anticipated. Choices were made. Hearts were broken. Trust was shattered. Lives were lost. Through it all, he loved her. It was a love that spanned decades. Epic. Intense.

Unquestionable. Unbreakable. Warning: This book is meant for readers over 18 years old and contains scenes that depict torture and sexual assault.

Out of My Mind Sharon M. Draper 2012-05 Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

Unbreak My Heart Nicole Jacquelyn 2016-06-07

Seven Pillars of Wisdom Thomas Edward Lawrence 1997 Written between 1919 and 1926, this text tells of the campaign against the Turks in the Middle East, encompassing gross acts of cruelty and revenge, ending in a welter of stink and corpses in a Damascus hospital.

Craving Hawk Nicole Jacquelyn 2016-08-16 Tommy Hawthorne thought Heather Collins was sexy. It didn't matter what color her hair was or how many piercings she added to her face. She just did it for him. Unfortunately, when they were kids she only had eyes for his baby brother, and when Mick died, Tommy lost all contact with Heather. A few years later, they're thrown together when the Aces and Eights Motorcycle Club goes on lockdown. Tommy isn't the cocky boy Heather remembered. He's angry with the world, and he can't seem to harness his rage or the nightmares that wake him up in a cold sweat every night. But one thing hasn't changed. He still wants Heather.

Neuroscience of Nicotine Victor R. Preedy 2019-03-20 Neuroscience of Nicotine: Mechanisms and Treatment presents the fundamental information necessary for a thorough understanding of the neurobiological underpinnings of nicotine addiction and its effects on the brain. Offering thorough coverage of all aspects of nicotine research, treatment, policy and prevention, and containing contributions from internationally recognized experts, the book provides students, early-career researchers, and investigators at all levels with a fundamental introduction to all aspects of nicotine misuse. With an estimated one billion individuals worldwide classified as tobacco users—and tobacco use often being synonymous with nicotine addiction—nicotine is one of the world's most common addictive substances, and a frequent comorbidity of misuse of other common addictive substances. Nicotine alters a variety of neurological processes, from molecular biology, to cognition, and quitting is exceedingly difficult because of the number of withdrawal symptoms that accompany the process. Integrates cutting-edge research on the pharmacological, cellular and

molecular aspects of nicotine use, along with its effects on neurobiological function Discusses nicotine use as a component of dual-use and poly addictions and outlines numerous screening and treatment strategies for misuse Covers both the physical and psychological effects of nicotine use and withdrawal to provide a fully-formed view of nicotine dependency and its effects Constellations Peter Crowther 2004-12 An outstanding compilation of fifteen original tales explores topics ranging from outer space to inner space, from cosmology to astrology, in an anthology featuring works by Brian W. Aldiss, Paul McAuley, Stephen Baxter, Gwyneth Jones, Ian McDonald, Alastair Reynolds, and other notable British authors. Original.

The Birth Of A Mother Daniel N Stern 1998-12-03 As you prepare to become a mother, you face an experience unlike any other in your life. Having a baby will redirect your preferences and pleasures and, most likely, will realign some of your values. As you undergo this unique psychological transformation, you will be guided by new hopes, fears, and priorities. In a most startling way, having a child will influence all of your closest relationships and redefine your role in your family's history. The charting of this remarkable, new realm is the subject of this compelling book. Renowned psychiatrist Daniel N. Stern has joined forces with pediatrician and child psychiatrist Nadia Bruschiweiler-Stern and journalist Alison Freeland to paint a wonderfully evocative picture of the psychology of motherhood. At the heart of *The Birth of a Mother* is an arresting premise: Just as a baby develops physically in utero and after birth, so a mother is born psychologically in the many months that precede and follow the birth of her baby. The recognition of this inner transformation emerges from hundreds of interviews with new mothers and decades of clinical experience. Filled with revealing case studies and personal comments from women who have shared this experience, this book will serve as an invaluable sourcebook for new mothers, validating the often confusing emotions that accompany the development of this new identity. In addition to providing insight into the unique state of motherhood, the authors touch on related topics such as going back to work, fatherhood, adoption, and premature birth. During pregnancy, mothers-to-be talk about morning sickness and their changing bodies, and new mothers talk about their exhaustion, the benefits of nursing or bottle-feeding, and the dilemma of whether or when they should return to work. And yet, they can be strangely mute about the dramatic and often overwhelming changes going on in their inner lives. Finally, with *The Birth of a Mother*, these powerful feelings are eloquently put into words.

*Piece of My Heart* Nicole Jacquelyn 2019-07-23 From the author of *Unbreak My Heart* comes a heart-wrenching story about a young married couple's struggle to find their way back to each other after an unbearable loss threatens to tear them apart. Nicole Jacquelyn delivers a novel that will break your

heart...in all the best ways. Alex Evans is cool. Collected. Charismatic as hell. But when he meets Sarai Levy, all that chill goes right out the door. An Israeli graduate student, Sarai's far too busy with school to date. But she gives Alex a chance anyway, and after a few whirlwind months, they're getting married. They've heard all the reasons why it's too soon, but Alex and Sarai are madly in love and determined to make it work . . . until a devastating tragedy strikes and their perfect world comes crashing down. Sarai, who always has a plan, suddenly has no blueprint for handling a staggering loss. As she pulls away from Alex and withdraws from her life, he's struggling to be the man she needs. Their relationship is fraying at the seams, and if Alex and Sarai don't find a way to trust each other with their most painful truths, their heartache could shatter their fairytale romance.

Craving Cecilia Nicole Jacquelyn 2021-10-01 Davon überzeugt, dass es für alle Beteiligten besser war, beschloss Cecilia Butler vor einigen Jahren, ihr Zuhause, ihre Familie und somit den Motorradclub ihres Vaters hinter sich zu lassen. Zu viele traumatische Dinge waren Cecilia zugestoßen und sich woanders ein neues Leben aufzubauen, war für sie die einzige Möglichkeit, ein normales Leben führen zu können. Als sie allerdings zur falschen Zeit am falschen Ort ist, bleibt ihr nichts anderes übrig, als ihre Familie um Hilfe zu bitten. Womit sie nicht rechnet, ist das Auftauchen ihres Ex-Freundes aus ihrer Jugend. Mark Eastwood war Cecílias erste und einzige Liebe und sie die seine. Während Cecilia gezwungen ist, zu fliehen und sich auf Mark zu verlassen, kommen nicht nur Erinnerungen und verletzte Gefühle aus der Vergangenheit hoch, sondern es entwickelt sich auch ein Band zwischen ihnen, das vielleicht niemals wirklich zerrissen war.

The Book of Lies Aleister Crowley 2018-01-23 Aleister Crowley's The Book of Lies is an important and complex work of occultism. Deciphering its many layers of hidden meaning requires a little patience and more than a beginner's knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of The Book of Lies from Kismet Publishing restores all of Crowley's original text, including the important keys, sigils and diagrams often omitted from reprints.

The Stranger in the Woods Michael Finkel 2018-01-30 The unforgettable true story of Christopher Knight, who found refuge from the pressures of modern society by living alone in the Maine woods for twenty-seven years.

Craving Constellations - Hautnah Nicole Jacquelyn 2017-02-01 Auf der Flucht vor ihrem psychopathischen Ehemann landet Brenna mit ihrer kleinen Tochter genau dort, wo sie nie wieder sein wollte. Daheim unter dem Schutz ihres Vaters und dem Aces Motorrad Club. Dass sie sich mit ihrem spurlosen Verschwinden vor fünf Jahren, nach einem heißen One-Night-Stand mit dem

Aces Member Dragon, zu Hause nicht gerade Freunde gemacht hat, ändert nichts daran, dass die Leute im Club sie lieben, wieder aufnehmen und versprechen, sie zu beschützen. Allerdings hat sie nicht vor, länger als nötig zu bleiben. Jahrelang hat Dragon Brenna hinterhergetrauert, wollte sie zu seiner Old Lady machen, nach nur einer gemeinsamen Nacht. Doch sie war und blieb verschwunden – bis heute. Und in ihrem Arm hält sie ein kleines Kind, das genauso aussieht wie er.

*The Door in the Alley* Adrienne Kress 2017 A shy boy's life is sent spiraling into adventure after a fateful day when he discovers a pig in a small hat and returns it to its home at the mysterious Explorers Club.

*Craving Redemption* Nicole Jacquelyn 2014-02 Asa and Callie had nothing in common. He was an Ace, raised in the club and loyal to it above all else. She was a high school student with braces on her teeth and a narrow view of the world. They should have never crossed paths. But when Callie decides to defy her parents, and Asa goes on an errand for the club, their lives collide. He saves her, and she mesmerizes him. They part believing they'll never see each other again. Neither could have predicted the chain of events they'd put in motion. Now the two have to navigate the dark waters of a relationship built on tragedy and need without drowning in guilt for things outside their control. How do you love someone when the worst decision of your life was the reason you met them?

*The Urantia Book* Urantia Foundation 1955 This priceless and inexhaustible resource is the ultimate synthesis of "science, philosophy and truth, " of "reason, wisdom and faith, " and of "past, present and future."

*The Poisonwood Bible* Barbara Kingsolver 2008-09-04 'Breathtaking.' Sunday Times 'Exquisite.' The Times 'Beautiful.' Independent 'Powerful.' New York Times An international bestseller and a modern classic, this suspenseful epic of one family's tragic undoing and their remarkable reconstruction has been read, adored and shared by millions around the world. This story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it - from garden seeds to Scripture - is calamitously transformed on African soil. What readers are saying 'This remains one of the most fascinating books I have ever read.' 'I felt every emotion under the sky with this book.' 'Riveting.' 'This novel left a lasting - YEARS LASTING - impression.' 'This is one of those books that stands the test of time and is worth rereading.' 'Five epic, no-wonder-this-book-is-so-well-loved stars!'

Crier's War Nina Varela 2019-10-01 From debut author Nina Varela comes the first book in a richly imagined epic fantasy duology about an impossible love between two girls—one human, one Made—whose romance could be the beginning of a revolution. Perfect for fans of Marie Rutkoski's *The Winner's Curse* as well as *Game of Thrones* and *Westworld*. After the War of Kinds ravaged the kingdom of Rabu, the Automae, designed to be the playthings of royals, usurped their owners' estates and bent the human race to their will. Now Ayla, a human servant rising in the ranks at the House of the Sovereign, dreams of avenging her family's death...by killing the sovereign's daughter, Lady Crier. Crier was Made to be beautiful, flawless, and to carry on her father's legacy. But that was before her betrothal to the enigmatic Scyre Kinok, before she discovered her father isn't the benevolent king she once admired, and most importantly, before she met Ayla. Now, with growing human unrest across the land, pressures from a foreign queen, and an evil new leader on the rise, Crier and Ayla find there may be only one path to love: war.

Dissolve Sherwin Bitsui 2019-06-18 "Bitsui's poetry returns things to their basic elements and voice in a flowing language rife with illuminating images. A great reading experience for those who like serious and innovative poetry."  
—Library Journal Drawing upon Navajo history and enduring tradition, Sherwin Bitsui leads us on a treacherous, otherworldly passage through the American Southwest. Fluidly shape-shifting and captured by language that functions like a moving camera, *Dissolve* is urban and rural, past and present in the haze of the reservation. Bitsui proves himself to be one of this century's most haunting, raw, and uncompromising voices. From "(Untitled)": . . . Jeweled with houseflies, leather rattles, foil-wrapped, ferment in beaked masks on the shores of evaporating lakes. This plot, now a hotel garden, its fountain gushing forth—the slashed wrists of the Colorado River. Sherwin Bitsui was raised in White Cone, Arizona, on the Navajo Reservation. He is the author of two other books of poetry, among them *Flood Song*, which won an American Book Award. He currently lives in Arizona where he has serves on the faculty of the

Institute of American Indian Arts.

Winterwood Shea Ernshaw 2019-11-05 Deluxe edition with special embellishments on first printing only. From New York Times bestselling author of *The Wicked Deep* comes a haunting romance perfect for fans of *Practical Magic*, where dark fairy tales and enchanted folklore collide after a boy, believed to be missing, emerges from the magical woods—and falls in love with the witch determined to unravel his secrets. Be careful of the dark, dark wood... Especially the woods surrounding the town of Fir Haven. Some say these woods are magical. Haunted, even. Rumored to be a witch, only Nora Walker knows the truth. She and the Walker women before her have always shared a special connection with the woods. And it's this special connection that leads Nora to Oliver Huntsman—the same boy who disappeared from the Camp for Wayward Boys weeks ago—and in the middle of the worst snowstorm in years. He should be dead, but here he is alive, and left in the woods with no memory of the time he'd been missing. But Nora can feel an uneasy shift in the woods at Oliver's presence. And it's not too long after that Nora realizes she has no choice but to unearth the truth behind how the boy she has come to care so deeply about survived his time in the forest, and what led him there in the first place. What Nora doesn't know, though, is that Oliver has secrets of his own—secrets he'll do anything to keep buried, because as it turns out, he wasn't the only one to have gone missing on that fateful night all those weeks ago. For as long as there have been fairy tales, we have been warned to fear what lies within the dark, dark woods and in *Winterwood*, New York Times bestselling author Shea Ernshaw, shows us why.

*Saving the CEO* Jenny Holiday 2014-10-20 Real estate mogul Jack Winter has rules. Lots of rules. After all, a man doesn't build an empire without a little discipline. And on page one of the rulebook? Don't sleep with your employees. Especially when there's a multimillion dollar real estate deal at stake... Luckily for Jack, Cassie James isn't really his employee. She's a hot bartender who just happens to be the math genius he needs, and if they share a wicked chemistry? Well, that's just a sexy little perk. So they strike a deal: Cassie helps Jack with the merger. And until the deal goes through at Christmas, they can indulge every impulse they desire. But the more rules Jack makes, the more he seems to break...

*The Natural Genesis* - Gerald Massey 2007-03-01 Egyptologist Gerald Massey challenged readers in *A Book of the Beginnings* to consider the argument that Egypt was the birthplace of civilization and that the widespread monotheistic vision of man and the metaphysical was, in fact, based on ancient Egyptian mythos. In *The Natural Genesis*, Massey delivers a sequel, delving deeper into his compelling polemic. In Volume I, he offers a more intellectual, fine-tuned analysis of the development of society out of Egypt.

From the simplest signs (numbers, the cross) to the grandest archetypes (darkness, the mother figure), Massey carefully and confidently lays the cultural and psychosocial bricks of Evolutionism. British author GERALD MASSEY (1828-1907) published works of poetry, spiritualism, Shakespearean criticism, and theology, but his best-known works are in the realm of Egyptology, including *A Book of the Beginnings* and *Ancient Egypt: The Light of the World*.

Undeniable Madeline Sheehan 2012-12-01 Warning: This is not a typical, sappy love story. This is an all-consuming, soul-crushing, tear-your-heart-into-pieces story. It's intense, gritty and raw, dark and disturbing, and it doesn't happen overnight. This is an epic love story that knows no boundaries and has no time limits. It grows and develops—with hurt, sacrifice, and heartache—over the span of a lifetime. Eva Fox is the princess of the Silver Demons Motorcycle Club. Growing up with bikers in the club lifestyle is all that she knows. When she's a young girl, Eva meets the reason for her existence. Deuce West is the sexy, biker bad-ass of the Hell's Horsemen Motorcycle Club. Like Eva, he was born and raised in the club—but that's where the similarities end. Their first meeting is innocent, but as Eva matures into a woman, their chance reunions evolve into a fit of lust and love. Fate continues to bring them together time and time again, but their twisted journey is filled with pain, betrayal, and bloodshed that could tear them apart. Eva sees in Deuce what he cannot see in himself—a man worthy of love—and Eva spends her lifetime proving to him that her undeniable love is the one thing he can't live without. This is Eva and Deuce's story. It wasn't easy. Nothing worth doing ever is. And love is worth everything

Craving Trix Nicole Jacquelyn 2015-07-03 Bellatrix White had loved Cameron Harrison for as long as she could remember. He was her best friend and her closest confidant, and she knew one day he'd be her forever. Then he broke her heart. After five years of complete silence between them, the motorcycle club they grew up in comes under attack, giving Cam the opportunity he needs to work his way back into Trix's life. Because while Trix was nursing her broken heart, Cam was realizing exactly what he'd given up. They fall into a relationship easily, but when new tragedies mix with old memories, neither of the lovers are prepared for the fallout.

Unattainable Madeline Sheehan 2013-09-21 Tegen Matthews is the daughter of Dorothy Kelley, a club whore in the Hell's Horsemen. Cage West is the son of the president of the Hell's Horsemen. Tall and blond with deep brown eyes, as he grows up Cage realizes the power of his dimpled smile and smooth drawl. With one chance encounter, Tegen becomes forever tied to Cage. Following is a wayward journey that is filled with regrets, mistakes, and

heartache, pulling at the threads that hold them together.

Constellations Nick Payne 2014-12-16 "A singular astonishment." —John Lahr, *The New Yorker* One relationship. Infinite possibilities. In the beginning Marianne and Roland meet at a party. They go for a drink, or perhaps they don't. They fall madly in love and start dating, but eventually they break up. After a chance encounter in a supermarket they get back together, or maybe they run into each other and Marianne reveals that she's now engaged to someone else and that's that. Or perhaps Roland is engaged. Maybe they get married, or maybe their time together will be tragically short. Nick Payne's *Constellations* is a play about free will and friendship; it's also about quantum multiverse theory, love, and honey.

The Five Love Languages Gary Chapman 2016-06-30 In *The 5 Love Languages*, you will discover the secret that has transformed millions of relationships worldwide. The Shi King, the Old "Poetry Classic" of the Chinese William Jennings 1891  
Radical Technologies Adam Greenfield 2017-06-13 A field manual to the technologies that are transforming our lives Everywhere we turn, a startling new device promises to transfigure our lives. But at what cost? In this urgent and revelatory excavation of our Information Age, leading technology thinker Adam Greenfield forces us to reconsider our relationship with the networked objects, services and spaces that define us. It is time to re-evaluate the Silicon Valley consensus determining the future. We already depend on the smartphone to navigate every aspect of our existence. We're told that innovations—from augmented-reality interfaces and virtual assistants to autonomous delivery drones and self-driving cars—will make life easier, more convenient and more productive. 3D printing promises unprecedented control over the form and distribution of matter, while the blockchain stands to revolutionize everything from the recording and exchange of value to the way we organize the mundane realities of the day to day. And, all the while, fiendishly complex algorithms are operating quietly in the background, reshaping the economy, transforming the fundamental terms of our politics and even redefining what it means to be human. Having successfully colonized everyday life, these radical technologies are now conditioning the choices available to us in the years to come. How do they work? What challenges do they present to us, as individuals and societies? Who benefits from their adoption? In answering these questions, Greenfield's timely guide clarifies the scale and nature of the crisis we now confront —and offers ways to reclaim

our stake in the future.

**Craving Absolution** Nicole Jacquelyn 2014-07-24 Farrah Miller and Cody "Casper" Butler have a longstanding relationship that both refuse to discuss. It isn't romantic. It may not even be classified as a friendship. Casper's been saving Farrah from herself for longer than he'd care to admit, watching silently as she drowned herself in alcohol and bad decisions. Then when she finally got her act together, he left. He told himself he was giving her time to sort herself out. He tried to give her space. But getting shot in the chest can change a man's perspective, and Casper's done waiting. When he shows up on her doorstep one night, everything changes. He's the man who's seen her at her very worst. She's his weakness. He runs when things get hard. She never lets anyone see below the surface and is terrified of being abandoned. Casper knows it's a long shot, that there's a good chance she'll never drop her guard for him- but he has to try. Because a life with Farrah is exactly what he wants... Even if he has to fight her for it.

**Craving Constellations** Nicole Jacquelyn 2013-09-20 How could someone make decision after decision attempting to get away from their past and somehow end up right back where they started? When Brenna decided to leave the only life she'd ever known, she swore she'd never go back. Now, five years later, she's running from her clean-cut husband straight back to the motorcycle club that raised her... and the man she left behind. She left with a secret, and the truth will soon break her carefully constructed life wide open.
