Fighting Shadows Aly Martinez 2015-06-28 I come from a family of fighters. I always thought I'd follow in their shadows, becoming unstoppable in the ring. That changed the day I saved the life of a woman I loved, but could never have. My brother hailed me as a hero, and my reward was a wheelchair. Paralyzed, my life became an inescapable nightmare. Until I met her. Ash Mabie had a heart-stopping smile and a laugh that numbed the rage and resentment brewing inside of me. She showed me that even the darkest night still had stars, and it didn't matter one bit that you had to lie in the weeds to see them. I was a jaded asshole who fell for a girl with a knack for running away. I couldn't even walk but I would have spent a lifetime chasing her. Now, I'm on the ropes during the toughest battles of my life. Fighting the shadows of our past. Fighting to reclaim my future. Fighting for her.

Words of Radiance Brandon Sanderson 2014-03-04 From #1 New York Times bestselling author Brandon Sanderson, Words of Radiance, Book Two of the Stormlight Archive, continues the immersive fantasy epic that The Way of Kings began. Expected by his enemies to die the miserable death of a military slave, Kaladin survived to be given command of the royal bodyguards, a controversial first for a low-status "darkeyes." Now he must protect the king and Dalinar from every common peril as well as the distinctly uncommon threat of the Assassin, all while secretly struggling to master remarkable new powers that are somehow linked to his honorspren, Syl. The Assassin, Szeth, is active again, murdering rulers all over the world of Roshar, using his baffling powers to thwart every bodyguard and elude all pursuers. Among his prime targets is Highprince Dalinar, widely considered the power behind the Alethi throne. His leading role in the war would seem reason enough, but the Assassin's master has much deeper motives. Brilliant but troubled Shallan strives along a parallel path. Despite being broken in ways she refuses to acknowledge, she bears a terrible burden: to somehow prevent the return of the legendary Voidbringers and the civilization-ending Desolation that will follow. The secrets she needs can be found at the Shattered Plains, but just arriving there proves more difficult than she could have imagined. Meanwhile, at the heart of the Shattered Plains, the Parshendi are making an epochal decision. Hard pressed by years of Alethi attacks, their numbers ever shrinking, they are convinced by their war leader, Eshonai, to risk everything on a desperate gamble with the very supernatural forces they once fled. The possible consequences for Parshendi and humans alike, indeed, for Roshar itself, are as

dangerous as they are incalculable. Broken Course Aly Martinez 2014-11-04 Seven years ago, my life changed forever. One accident and the person I saw in the mirror no longer resembled the woman I used to be. I was lost and confused inside my own body. I felt alone and disconnected from the world, carrying the incredible weight of guilt and loss that wasn't even mine to harbor. Then fate led me to Leo James. He taught me that crazy could be perfectly normal and it shouldn't hurt to breathe. Don't get me wrong. Leo isn't perfect. He has his own cross to bear, and the truth is, that might be why I fell for him in the first place. But despite everything he does for me, learning to forgive myself is infinitely harder than overlooking the flaws of another. Now, the secrets and lies of our past have begun to dictate our future-threatening to ruin us before we get the chance to try. Perhaps we were cursed from the start. Or maybe, just maybe, the remnants of our fractured lives will fit together to form one whole, where love isn't questioned and being happy is...well, easy. Can a second broken soul be enough to fill the voids of my own? Or will such scarred pasts prove too much for our love alone to overcome?

The Glass Castle Jeannette Walls 2006-01-02 Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Fighting Silence: Sports Romance, Friends-to-Lovers I fell in love with Eliza Reynolds in a condemned apartment when I was only thirteen years old. For most of my life, I'd desperately wanted to make her mine. But that was a fantasy a poor kid like me couldn't even afford to dream. With two little brothers who depended on me to stay out of foster care, a medical diagnosis sentencing me to gradually go deaf, and my soul mate quickly slipping through my fingers, I was faced with the reality that not all fights could be won. But that didn't mean I would give up. Not on her. Not on them. Not even when the world fell silent.

Retrieval: Romantic Suspense, Second-Chance Romance One date. That was all it took for me to know she was my soul mate. Five years, countless infertility treatments, and the loss of our only son. That was what it took for me to lose her. One phone call, a mix-up at the lab, and a child neither of us knew existed. That was the hell it took to bring her back to me. And this time, I wasn't letting go. This is the story of how I took back what had always been mine. The retrieval of my wife and my family.

The Fall Up: Contemporary Romance, Opposites Attract As a celebrity, I lived a life most would dream about. But on the inside, I was drowning in the spotlight. The night I met Sam Rivers-a gorgeous, tattooed carpenter with a sexy smile and a wicked sense of humor-I was at rock bottom. I was standing on the top of a bridge that night, trying to find the courage to jump. I never expected he'd make me fall.

Changing Course: Contemporary Romance, Broken Hero My world was rocked when my wife suffered a traumatic brain injury during a car accident. One minute, we were planning our happily-ever-after. The next, she could barely stand to look at me. I was forced to let her go, but I never thought I'd be able to move on. Until seven years later, when I met Jesse Addison. That shy woman with the musical laugh became the beacon of light I so desperately needed in order to find my way out of the fog. But what happens when your past collides with your present and the woman you used to love refuses to accept the woman you can't live without?

Singe: Romantic Suspense, Alpha Bodyguard She lived in my nightmares. I lived in her dreams. But I was no hero. For years after the fire, I wore the scars as a constant reminder of the night I'd failed her. I never expected to see her again. I wasn't sure I'd even be able to look her in the eye. So imagine my surprise when I showed up for my first day on the job at the country's premiere security firm and found out that she was my client. I almost lost her once, but it wouldn't happen again. Rhion Park was the one woman I'd burn the world down to protect.

The Darkest Sunrise Aly Martinez 2017-07-07 Sticks and stones will break my bones, but words will never harm me. Whoever coined that phrase is a bald-faced liar.

Words are often the sharpest weapon of all, triggering some of the most powerful emotions a human can experience. "You're pregnant." "It's a boy." "Your son needs a heart transplant." Sticks and stones will break my bones, but words will never harm me. Lies. Syllables and letters may not be tangible, but they can still destroy your entire life faster than a bullet from a gun. Two words-that was all it took to extinguish the sun from my sky. "He's gone." For ten years, the darkness consumed me. In the end, it was four deep, gravelly words that gave me hope of another sunrise. "Hi. I'm Porter Reese."

Fighting Silence Aly Martinez 2015-02-16 Sound is an abstract concept for most people. We spend our lives blocking out the static in order to focus on what we believe is important. But what if, when the clarity fades into silence, it's the obscure background noise that you would give anything to hold on to? I've always been a fighter. With parents who barely managed to stay out of jail and two little brothers who narrowly avoided foster care, I became skilled at dodging the punches life threw at me. Growing up, I didn't have anything I could call my own, but from the moment I met Eliza Reynolds, she was always mine. I became utterly addicted to her and the escape from reality we provided each other. Throughout the years, she had boyfriends and I had girlfriends, but there wasn't a single night that I didn't hear her voice. You see, meeting the love of my life at age thirteen was never part of my plan. However, neither was gradually going deaf at the age of twenty-one. They both happened anyway. Now, I'm on the ropes during the toughest battles of my life. Fighting for my career. Fighting the impending silence. Fighting for her. Every night, just before falling asleep, she sighs as a final conscious breath leaves her. I think that's the sound I'll miss the most.
