Redeemed Study Guide Will Graham 2019-05-07 Only God can satisfy the hungry soul. In this five-session video Bible study, Will Graham, the grandson of renowned preacher Billy Graham, shares stories and teachings from his life

about what it means to be redeemed in Christ. As Will has traveled the globe, he has observed that deep inside each of our souls, we are all hungering for something. Some of us try to satisfy that need by throwing ourselves into relationships, jobs, or hobbies. Some try to fill the hunger by engaging in destructive vices. Others pursue good deeds, social work, or donating money to worthy causes. But as the psalmist writes, only God “satisfies the longing soul, and fills the hungry soul with goodness” (Psalm 107:9 NKJV). As we experience this redemption and walk in God’s ways, He leads us to a new understanding of His love, helps us to let go of our past, gives us a new heart and outlook on our trials, and opens our eyes to see the eternal needs of those around us. The Redeemed Study Guide includes video teaching notes, discussion questions, Bible exploration, and weekly personal study and reflection materials. Sessions include: A New Understanding of God’s Love A New Sense of Freedom from the Past A New Heart and Purpose A New Outlook on Difficulties A New Longing to Share Christ Designed for use with the Redeemed Video Study (9780310099796) sold separately. Digital and streaming video also available.

Old Testament Study Guide, Pt. 2 Randal S. Chase 2010-12-01 Old Testament Study Guide, Pt. 2: Deuteronomy to Solomon. This volume is the second of three on the Old Testament. It covers the Bible from the Book of Deuteronomy to the reign of King Solomon. We read Moses' counsel to his people during the final days before his translation. We follow the children of Israel into the Promised Land under the leadership of Joshua, beginning at Jericho and ending with the total conquering of all the lands promised to Abraham. We are introduced to the Judge-Heroes, including but not limited to Gideon, Deborah, and Samson. We read of the rise of the prophet Samuel and reigns of Saul, David, and Solomon. We thrill at the faith and gifts of David and

mourn over his fall from grace. We are inspired by the wisdom of Solomon and the beauty of the House of Lord He built at Jerusalem, but are saddened by his idolatry in his old age. Along the way, we become familiar with the ministries and teachings of Elijah, and Elisha, and the courage and faith of Job. The cover features an extremely rare photograph of the rock (es-Sakhara) inside the Dome of the Rock, which at one time stood inside the Holy of Holies of Solomon's temple.

Raising Critical Thinkers Julie Bogart 2022-02-01 A guide for parents to help children of all ages process the onslaught of unfiltered information in the digital age. Education is not solely about acquiring information and skills across subject areas, but also about understanding how and why we believe what we do. At a time when online media has created a virtual firehose of information and opinions, parents and teachers worry how students will interpret what they read and see. Amid the noise, it has become increasingly important to examine different perspectives with both curiosity and discernment. But how do parents teach these skills to their children? Drawing on more than twenty years' experience homeschooling and developing curricula, Julie Bogart offers practical tools to help children at every stage of development to grow in their

ability to explore the world around them, examine how their loyalties and biases affect their beliefs, and generate fresh insight rather than simply recycling what they've been taught. Full of accessible stories and activities for children of all ages, Raising Critical Thinkers helps parents to nurture passionate learners with thoughtful minds and empathetic hearts.

God and Money Gregory Baumer 2016-02-25 Two young Harvard MBAs on the fast track to wealth and success tell their story of God's transforming power and how Scripture brought them to the startling conclusion that they should give the majority of their money away to those in need. Packed with compelling case studies, research, and practical strategies, God and Money offers an honest look at what the Bible says about generous giving. No matter what your salary may be, God and Money shows you how you can reap the rewards of radical generosity in your own life. *100% of the author royalties goes toward Christian ministries focused on spreading the Gospel and

It's time for Christ-followers to understand that God has bigger purposes than increasing our standard of living—He wants us to increase our standard of giving.” —Randy Alcorn, from the Foreword of *God and Money*

John Cortines and Gregory Baumer met as Harvard MBA candidates in a men's Bible study and stopped asking "How much should I give?" and started asking "How much do I need to keep?" With their top-notch education and rising careers, Cortines and Baumer were guaranteed comfort and security for the rest of their lives. However, when their plans for saving and spending collided with God's purposes for extravagant generosity, they were each compelled to make a life-changing decision that challenges the values held by mainstream America and many Christian commentators. Cortines and Baumer show not only how to radically give, but explain how to do so responsibly. Dive into the story and get equipped with the practical tools to—

What Others are Saying About God and Money "This is one of the most thoughtful and well researched books on giving that I have had the pleasure of reading. The frameworks presented in the book can be used by people at all stages of

experiencing the joy of generosity." —Waters Davis, President of National Christian Foundation Houston. "With uncommon transparency, John and Greg provide a Gospel-centered and practical perspective on wealth. Through a leveling critique of comfortable Christianity, they challenge us to wholeheartedly pursue the joy of generosity. Read this book and you will be inspired, convicted and thinking differently about using what God has given you for Kingdom impact." —Peter Greer, President & CEO of HOPE International and coauthor of Mission Drift "In God and Money, Baumer and Cortines challenge Christian readers to consider afresh what generosity looks like in light of the Scripture's radical teaching and the day of affluence in which we live. Whether or not you agree with all their conclusions or personal practices, you will be challenged and inspired." —Robert L. Plummer, Ph.D., Professor of New Testament Interpretation, The Southern Baptist Theological Seminary "I greatly enjoyed reading God and Money! God used the framework Greg and John described to challenge my perspective and practice of generosity. I realized in reading their book that my personal bias is more saver and spender than servant. What I truly desire to be is a fully surrendered servant of Jesus. This book gave me practical frameworks to move in that

direction." —Todd Harper, President, Generous Giving "The mission of Harvard Business School is "to educate leaders who make a difference in the world," and in John and Greg that mission has been fulfilled abundantly. It has been my privilege to be their teacher, their colleague and now their friend; and I wish them Godspeed as they take the transformative message found in God and Money out to their community and to the world beyond. I have learned to expect great things from them, and they have yet to disappoint." —Derek van Bever, Senior Lecturer in Business Administration; Director, Forum for Growth and Innovation, Harvard Business School Preview God and Money Table of Contents Part I: Foundations Chapter 1: Wealth and Giving in the Bible Chapter 2: Seven Core Principles for Biblical Wealth and Giving Chapter 3: Motivations for Giving Chapter 4: Trends and Movements in Generosity Part II: Frameworks Chapter 5: The "Three S's Framework:" Spender, Saver, or Servant? Kabbalah in Print Andrea Gondos 2020-11-01 Demonstrates the impact of

print culture on the spread of Jewish mysticism, focusing on Kabbalistic study guides by R. Yissakhar Baer of seventeenth-century Prague. How did Jewish mysticism go from arcane knowledge to popular spirituality? *Kabbalah in Print* examines the cultural impact of printing on the popularization, circulation, and transmission of Kabbalah in the late sixteenth and early seventeenth centuries. The Zohar, in particular, generated a large secondary literature of study guides and reference works that aimed to ease the linguistic and conceptual challenges of the text. The arrival of printed classics of Kabbalah was soon followed by the appearance of new literary genres—anthologies, digests, lexicons, and other learning aids—that mediated mystical primary sources to a community of readers not versed in this lore. A detailed investigation of the four works by R. Yissakhar Baer (ca.1580–ca.1629) of Prague sheds light on the literary strategies, pedagogic concerns, and religious motivations of secondary elites, a new cadre of authors empowered by the opportunities that printing opened up. Andrea Gondos highlights shifting intellectual and cultural boundaries in the early modern period, when the transmission of Kabbalah became a meeting point connecting various strata of Jewish society as well as Jewish and Christian intellectuals. Andrea Gondos is Emmy Noether

Postdoctoral Fellow at the Institute of Jewish Studies at Free University Berlin, Germany. She is the coeditor (with Daniel Maoz) of *From Antiquity to the Postmodern World: Contemporary Jewish Studies in Canada*.

SCM Studyguide Anglicanism Stephen Spencer 2013-01-07 The SCM Studyguide Anglicanism offers a comprehensive introduction to the many different facets of Anglicanism. Aimed at students preparing for ministry, it presumes no prior knowledge of the subject and offers helpful overviews of Anglican history, liturgy, theology, Canon Law, mission and global Anglicanism. More and more ordinands come from contexts in which they are no longer familiar with their own denominational identity. The book fills a definite gap in the market and can be used as a textbook for a 10-week module on Anglican denominational identity. The author is an experienced theological educator who has road tested the material with students in residential and non-residential settings. The book can also be used in courses on church history, spirituality, ecclesiology, mission and doctrine.

You Decide E. P 2013-03-16 The sketch-style depictions and unusual fonts create an eerie atmosphere where the reader has to decide if what they see really happened or if it is just a work of fiction. Includes writing space for your conclusions. This book makes a great group activity. This is not intended for

children. Contains brief nudity.
