A Beginners Guide to Using PlayStation TV Katie Morris 2014-11-03 So, you're about to welcome the newest addition to the Sony PlayStation device family into your life - the PlayStation TV. Our prediction is that the PS TV represents a huge step forward for Sony and the beginnings of a much brighter (and cheaper!) cloud-based future for console gaming. PS TV brings together a significant cross section of the PlayStation back catalog in one relatively inexpensive device, thanks to PS3 game streaming through PlayStation Now, Sony's Cross Buy initiative, and PS TV's Remote Play feature, which allows you to stream your own PS4 screen to another television in your house through PS TV. The PS TV also opens up classic PS2, PS3 and PSP games to satisfy older gamers' nostalgia and introduce younger gamers to the games that hooked their parents (and if you're wondering, yes, Final Fantasy VI is still just as great as you remember it being). This guide will tell you everything you need to know about the PS TV (and then some). There's plenty of information here for total PlayStation newbies wondering what in the world Dualshock is, as well as for seasoned PlayStation players hoping to tie years and even decades of PlayStation experience together through the PS TV. In Chapter 1: Meet the PlayStation TV, we'll catch you up to speed on the world of PlayStation and give you an overview of the services and accessories that make the PlayStation world turn. In Chapter 2: PS TV Basics, we'll help you unpack and set up your PS TV, navigate it,

customize it, and take care of it. In Chapter 3: Gaming on PS TV, we'll go into lots of detail about the various ways you can play with PS TV. Chapter 4: Onboard PS TV Applications gives you a detailed tour of every single application on your device, with tips and tricks for getting the most out of each one. Finally, in Chapter 5: Recommended Games, we'll share some of our favorites with you. So tell your significant other and your boss that you're going to be unavailable for the foreseeable future as you explore everything PS TV has to offer, and read on to learn how to get the most out of PlayStation TV!

Alan Wake Guide Simge Ceylan 2016-01-26 Alan Wake is what they call a psychological thriller, though it falls half-way into the action-adventure and half-way into the survival horror genres of video game. It was developed in Finland by Remedy Entertainment, and published world-wide by Microsoft Games, and a lot of pre-publishing PR went into this title. When the game was finally released, we had great expectations for it, and the really cool thing is that it actually lives up to those expectations! You are in for an amazing adventure, with all of the twists and turns that you would expect from a motion picture, and the really cool thing is that when this game is all done, and you have milked it for all that it is worth entertainment wise, they will be ready to release the DLC content that will let you begin enjoying it all over again! You might be thinking – that alone makes it a major bonus – but there is also the fact that Remedy recently announced that they have already started working on the sequel to Alan Wake! Not only is there DLC and a sequel in the works, but Remedy has stated that this was the first “Episode” in the series, which means we can expect at least two and maybe as many as three new games in this series! I have to say that when I set out to write this walkthrough I suspected that the game would be similar to Heavy Rain, which was released for the PS3 and is another game that I did the walkthrough for, and even if it had been like that, it would have been good, but instead of follow in Heavy Rain’s footsteps, Alan Wake carved its own path, and even though I have reached the end of this Episode, I am excited and enthusiastic about what is still to come! I hope that you enjoy the game and that this walkthrough helps you. I have included a full and complete guide, with each collectible indicated in the chapter as you play rather than as an appendix in the back, because the collectibles are a major part of the Achievement system in the game. Enjoy, be entertained, rejoice. Isn’t it great to live in this gaming era?
