Printers' Ink 1944-04

Identifying the Image of God Dan McKanan 2002 Between 1820 and 1860, American social reformers pioneered a 'politics of identification' which portrayed minority and socially excluded groups as both physically vulnerable and socially related. This text traces the theme of identification through the literature of social reform.

Bark Canoes and Skin Boats of North America Edwin Tappan Adney 2014-04-01 Everything you need to know about the nearly lost art of bark and skin craft. The bark canoes of the North American Indians, particularly those made of birch bark, were among the most highly developed manually propelled primitive watercraft of their time. They could be used to carry heavy loads in shallow streams but were light enough to be hauled long distances over land. Built with Stone Age tools from available materials, their design, size, and appearance were varied to suit the many requirements of their users. Upon arrival in North America, European settlers began using the native-made craft for traveling through the wilderness. Even today, canoes are based on these ancient designs. Bark Canoes and Skin Boats of North America combines historical background with easy-to-understand, practical instructions. Author Edwin Tappan Adney, born in 1868, devoted his life to studying canoes and was practically the sole scholar in his field. His papers and research have been assembled by a curator at the Smithsonian Institution and illustrated with black-and-white line drawings, diagrams, and photos. Included here are measurements, detailed drawings, construction methods, and models. The book covers canoes from Newfoundland to the Pacific Ocean, as well as umiaks and kayaks from the Arctic. Bark Canoes and Skin Boats of North America is not only a must-have for boatbuilding hobbyists, but also for those with a fascination for the history behind them. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Business Law I Essentials MIRANDE. DE ASSIS VALBRUNE (RENEE. CARDELL, SUZANNE.) 2019-09-27 A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

Celebration of Discipline Richard J. Foster 1988-10-05 In the twenty years since its publication, Celebration of Discipline has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, Celebration of Discipline explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities--and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.

The Amistad Revolt Iyunolu Folayan Osagie 2000 From journalism and lectures to drama, visual art, and the Spielberg film, this study ranges across the varied cultural reactions--in America and Sierra Leone--engendered by the 1839 Amistad slave ship revolt. Iyunolu Folayan Osagie is a native of Sierra Leone, from where the Amistad's cargo of slaves originated. She digs deeply into the Amistad story to show the historical and contemporary relevance of the incident and its subsequent trials. At the same time, she shows how the incident has contributed to the construction of national and cultural identity both in Africa and the African diaspora in America--though in intriguingly different ways. This pioneering work of comparative African and American cultural criticism shows how creative arts have both confirmed and fostered the significance of the Amistad revolt in contemporary racial discourse and in the collective memories of both countries.

How to Survive the End of the World as We Know It James Wesley, Rawles 2009-09-30 Read James Wesley, Rawles's posts on the Penguin Blog In the vein of Sam Sheridan's The Disaster Diaries, a comprehensive guide to preparing for the apocalypse! With the recent economic crisis, formerly unimaginable scenarios have become terrifyingly real possibilities- learn how to prepare for the worst Global financial collapse, a terrorist attack, a natural catastrophe-all it takes is one event to disrupt our way of life. We could find ourselves facing myriad serious problems from massive unemployment to a food shortage to an infrastructure failure that cuts off our power or water supply. If something terrible happens, we won't be able to rely on the government or our communities. We'll have to take care of ourselves. In How to Survive the End of the World as We Know It, James Rawles, founder of SurvivalBlog.com, clearly explains everything you need to know to protect yourself and your family in the event of a disaster-from radical currency devaluation to a nuclear threat to a hurricane. Rawles shares essential tactics and techniques for surviving completely on your own, including how much food is enough, how to filter rainwater, how to protect your money, which seeds to buy for your garden, why goats are a smart choice for livestock, and how to secure your home. It's the ultimate guide to total preparedness and self-reliance in a time of need.

Mutiny on the Amistad Howard Jones 1987 Traces the 1839 revolt of Africans aboard the slave ship Amistad, their apprehension, and long trial which ended in their acquittal by the Supreme Court.

Looptail Bruce Tip 2014-04-03 Looptail is Bruce Poon Tip's extraordinary first-person account of his entrepreneurial instincts to start and develop G Adventures, the highly successful international travel adventure company - and along the way he reveals his unusual management secrets that not only keep his employees fully engaged and energized but also keep his customers extremely happy. His unique approach has worked in marvellous ways. Poon Tip has created an entirely new and refreshing approach to management. For example, there is no CEO at G Adventures - instead, every employee is a CEO, empowered to make instantaneous decisions to help clients on the spot. But while there's no CEO, there is a company Mayor, who take the pulse of corporate morale. There's no HR department - but there is a Talent Agency and company Culture Club. It hasn't always been easy to try to balance his desire for a socially responsible company along with the desire to generate profits. But thanks to Poon Tip's vision, G Adventures has flourished and has done its best to maintain its looptail approach. In short, it's been an extraordinary ride, and in many ways G Adventures is at the vanguard of what modern-day companies are beginning to look like.

Picture Freedom Jasmine Nichole Cobb 2015-04-03 In the decades leading up to the end of U.S. slavery, many free Blacks sat for daguerreotypes decorated in fine garments to document their self-possession. People pictured in these early photographs used portraiture to seize control over representation of the free Black body and reimagine Black visuality divorced from the cultural logics of slavery. In Picture Freedom, Jasmine Nichole Cobb analyzes the ways in which the circulation of various images prepared free Blacks and free Whites for the emancipation of formerly unfree people of African descent. She traces the emergence of Black freedom as both an idea and as an image during the early nineteenth century. Through an analysis of popular culture of the period—including amateur portraiture, racial caricatures, joke books, antislavery newspapers, abolitionist materials, runaway advertisements, ladies' magazines, and scrapbooks, as well as scenic wallpaper—Cobb explores the earliest illustrations of free Blacks and reveals the complicated route through visual culture toward a vision of African American citizenship. Picture Freedom reveals how these depictions contributed to public understandings of nationhood, among both domestic eyes and the larger Atlantic world.
