The Half-Made World Felix Gilman 2010-10-12 A fantastical reimagining of the American West which draws its influence from steampunk, the American western tradition, and magical realism The world is only half made. What exists has been carved out amidst a war between two rival factions: the Line, paving the world with industry and claiming its residents as slaves; and the Gun, a cult of terror and violence that cripples the population with fear. The only hope at stopping them has seemingly disappeared—the Red Republic that once battled the Gun and the Line, and almost won. Now they're just a myth, a bedtime story parents tell their children, of hope. To the west lies a vast, uncharted world, inhabited only by the legends of the immortal and powerful Hill People, who live at one with the earth and its elements. Liv Alverhyusen, a doctor of the new science of psychology, travels to the edge of the made world to a spiritually protected mental institution in order to study the minds of those broken by the Gun and the Line. In its rooms lies an old general of the Red Republic, a man whose shattered mind just may hold the secret to stopping the Gun and the Line. And either side will do anything to understand how. Five Seasons A. B. Yehoshua 2012-12-01 This tale of an awkward Israeli widower and his misadventures with women is an "extraordinary novel . . . a masterpiece" (Los Angeles Times). After seven long years of illness, Molkho's wife passes, leaving him in mourning, but also with an unexpected sense of freedom. No longer is he bound to being a caretaker for a woman too sick to even bear his touch. His future—and his desires—are his own. As the seasons of his life propel the hapless middle-aged accountant through a series of journeys and a string of infatuations—with an unwanted wife, an aggressive bureaucrat, a young girl, and a Russian émigré—Molkho begins to find the real element that was missing in his life was not romance, but his own will. An absurd, tragic, humorous, and hopeful meditation on love, marriage, and the quiet struggles of average Israeli lives, Five Seasons "reconfirms [A. B. Yehoshua's] status as a shrewd analyst of domestic ordeals" (Publishers Weekly).

The Phantom of Fifth Avenue Meryl Gordon 2014-05-27 Born in 1906, Huguette Clark grew up in her family's 121-room Beaux Arts mansion in New York and was one of the leading celebrities of her day. Her father William Andrews Clark, was a copper magnate, the second richest man in America, and not above bribing his way into the Senate. Huguette attended the coronation of King George V. And at twenty-two with a personal fortune of \$50 million to her name, she married a Princeton man and childhood friend William MacDonald Gower. Two-years later the couple divorced. After a series of failed romances, Huguette began to withdraw from society--first living with her mother in a kind of Grey Gardens isolation then as a modern-day Miss Havisham, spending her days in a vast apartment overlooking Central Park, eating crackers and watching The Flintstones with only servants for company. All her money and all her real estate could not protect her in her later life from being manipulated by shady hangers-on and hospitals that were only too happy to admit (and bill) a healthy woman. But what happened to Huguette that turned a vivacious, young socialite into a recluse? And what was her life like inside that gilded, copper cage?

Hana's Suitcase Karen Levine 2002-08-07 New edition with foreword by Nobel Peace Prize winner Desmond Tutu: "How extraordinary that this humble suitcase has enabled children all over the world to learn through Hana's story the terrible history of what happened and that it continues to urge them to heed the warnings of history." In the spring of 2000, Fumiko Ishioka, the curator of a small Holocaust education centre for children in Tokyo, received a very special shipment for an exhibit she was planning. She had asked the curators at the Auschwitz museum if she could borrow some artifacts connected to the experience of children at the camp. Among the items she received was an empty suitcase. From the moment she saw it, Fumiko was captivated by the writing on the outside that identified its owner – Hana Brady, May 16, 1931, Waisenkind (the German word for orphan). Children visiting the centre were full of questions. Who was Hana Brady? Where did she come from? What was she like? How did Hana become an orphan? What happened to her? Fueled by the children's curiosity and her own need to know, Fumiko began a year of detective work, scouring the world for clues to the story of Hana Brady. Writer Karen Levine follows Fumiko in her search through history, from present-day Japan, Europe and North America back to 1938 Czechoslovakia and the young Hana Brady, a fun-loving child with a passion for ice skating. Together with Fumiko, we learn of Hana's loving parents and older brother, George, and discover how the family's happy life in a small town was turned upside down by the invasion of the Nazis. Based on an award-winning CBC documentary, Hana's Suitcase takes the reader on an incredible journey full of mystery and memories, which come to life through the perspectives of Fumiko, Hana and later Hana's brother, who now lives in Canada. Photographs and original wartime documents enhance this extraordinary story that bridges cultures, generations and time. Ideal for young readers aged 9 and up. Hana's Suitcase is part of the award-winning Holocaust Remembrance Series for Young Readers.

Boy Proof Cecil Castellucci 2011-05-10 A Time Magazine 100 Best Young Adult Books of All Time Selection "This novel's funny first-person narrative will grab teens (and not just sci-fi fans) with its romance and the screwball special effects." – Booklist Meet Egg. Her real name is Victoria Jurgen, but she's renamed herself after the kick-ass heroine of her favorite sci-fi movie, Terminal Earth. Like her namesake, Egg dresses all in white, colors her eyebrows, and shaves her head. She always knows the right answers, she's always in control, and she's far too busy — taking photos for the school paper, meeting with the Science Fiction and Fantasy Club, and hanging out at the "creature shop" with her dad, the special-effects makeup wizard — to be bothered with friends, much less members of the opposite sex. As far as Egg is concerned, she's boy proof, and she likes it that way. But then Egg meets a boy named Max, a boy who's smart and funny and creative and cool . . . and happens to like Egg. Could this be the end of the world — at least as Egg knows it?

Holocaust Representation Berel Lang 2000-09-21 Since Theodor Adorno's attack on the writing of poetry "after Auschwitz," artists and theorists have faced the problem of reconciling the moral enormity of the Nazi genocide with the artist's search for creative freedom. In Holocaust Representation, Berel Lang addresses the relation between ethics and art in the context of contemporary discussions of the Holocaust. Are certain aesthetic means or genres "out of bounds" for the Holocaust? To what extent should artists be constrained by the "actuality" of history—and is the Holocaust unique in raising these problems of representation? The dynamics between artistic form and content generally hold even more intensely, Lang argues, when art's subject has the moral weight of an event like the Holocaust. As authors reach beyond the standard conventions for more adequate means of representation, Holocaust writings frequently display a blurring of genres. The same impulse manifests itself in repeated claims of historical as well as artistic authenticity. Informing Lang's discussion are the recent conflicts about the truth-status of Benjamin Wilkomirski's "memoir" Fragments and the comic fantasy of Roberto Benigni's film Life Is Beautiful. Lang views Holocaust representation as limited by a combination of ethical and historical constraints. As art that violates such constraints often lapses into sentimentality or melodrama, cliché or kitsch, this becomes all the more objectionable when its subject is moral enormity. At an extreme, all Holocaust representation must face the test of whether its referent would not be more authentically expressed by silence—that is, by the absence of representation.

The Upstairs Room (Winner of the Newbery Honor) Johanna Reiss 2011-07-13 This Newbery Honor-winning book shows us that in the steady courage of a young girl lies a profound strength that can transcend the horrors of war. This is the true story of a girl's extraordinary survival during the German occupation of Holland of World War II. Annie was only ten years old, but because she was Jewish, she was forced to leave her family, her home, and everything she knew. Annie was taken in, far from home, by complete strangers who risked everything to help her. They showed Annie where she had to stay - the cramped upstairs room of their farmhouse. She would remain there while Nazis, who were ever vigilant, patrolled the streets outside. If Annie made even a sound from upstairs, or if a nosy neighbor caught sight of her in the window, it would surely mean a death sentence for her and the family that took her in. Elie Wiesel writes, "This admirable account is as important in every aspect as the one bequeathed to us by Anne Frank." A Newbery Medal Honor Book, ALA Notable Book, and winner of the Jewish Book Council

Children's Book Award. Be sure to read the moving sequel "The Journey Back" by Johanna Reiss.

Riot Walter Dean Myers 2009-09-01 As the Civil War rages, another battle breaks out behind the lines. During a long hot July in 1863, the worst race riots the United States has ever seen erupt in New York City. Earlier that year, desperate for more Union soldiers, President Abraham Lincoln instituted a draft—a draft that would allow the wealthy to escape serving in the army by paying a \$300 waiver, more than a year's income for the recent immigrant Irish. And on July 11, as the first drawing takes place in Lower Manhattan, the city of New York explodes in rage and fire. Stores are looted; buildings, including the Colored Foundling Home, are burned down; and black Americans are attacked, beaten, and murdered. The police cannot hold out against the rioters, and finally, battle-hardened soldiers are ordered back from the fields of Gettysburg to put down the insurrection, which they do—brutally. Fifteen-year-old Claire, the beloved daughter of a black father and Irish mother, finds herself torn between the two warring sides. Faced with the breakdown of the city—the home—she has loved, Claire must discover the strength and resilience to address the new world in which she finds herself, and to begin the hard journey of remaking herself and her identity. Addressing such issues as race, bigotry, and class head-on, Walter Dean Myers has written another stirring and exciting novel that will shake up assumptions, and lift the spirit. From the Hardcover edition.
