The Devil's Web Mary Balogh 2007-12-26 BONUS: This edition contains an excerpt from Mary Balogh's *The Secret Mistress*. Sensual. Seductive. Emotional. No one stirs the heart and imagination like Mary Balogh. In this classic novel, the New York Times bestselling author weaves a spellbinding tale of two people haunted by desire, unable to resist the love that has become their most passionate obsession.... When James Purnell walks into the London drawing room and sees Lady Madeline Raine, time stops. Once she had been his for the taking. Now she is an aloof, beautiful stranger, determined to keep the devilishly handsome nobleman from seducing her again. But after four years apart, desire reignites—swift, hot, irresistible—culminating in a night of reckless lovemaking. Suddenly Madeline is faced with an unbearable choice: marry with no hope of love or risk certain ruin. Her decision will have consequences she never imagined, as she makes a shocking discovery about the man she secretly loves. What she doesn't know is how far James will

go to right the wrongs of the past—and how much he's willing to risk for the woman who already owns him...body, heart, and soul.

Functional Somatic Symptoms in Children and Adolescents Kasia Kozlowska 2020 This open access book sets out the stress-system model for functional somatic symptoms in children and adolescents. The book begins by exploring the initial encounter between the paediatrician, child, and family, moves through the assessment process, including the formulation and the treatment contract, and then describes the various forms of treatment that are designed to settle the child's dysregulated stress system. This approach both provides a new understanding of how such symptoms emerge -- typically, through a history of recurrent or chronic stress, either physical or psychological -- and points the way to effective assessment, management, and treatment that put the child (and family) back on the road to health and well-being.

Truth Or Tequila Donna Schwartze 2021-09-03 A steamy romantic comedy about good timing, bad temptation, and way too much tequila. Seb's the most famous baseball player in the world. Sophie's not impressed. Game on. Sophie When we graduated from college, my friends and I made a pact that we would only play this stupid game five more times--at each of our bachelorette parties. Tonight's number four and it couldn't come at a worse time. I have a meeting with a new client tomorrow. I can't be hungover. Unfortunately, I've never played this game without ending up that way. I'm already at a disadvantage with the client. It's the professional baseball team in town. I'm not much of a sports fan. I don't even know who the players are, but I guess I'll worry about that tomorrow. Tonight, it seems that, once again, I'm destined for tequila and bad decisions. Seb Don't get me wrong, I like being a professional athlete. I just wish it didn't come with so much fame. People are always staring at me and tonight's no exception. All eyes are on me as I walk into the bar--except for one pair. And they're attached to a gorgeous woman. When she finally looks up from her phone, she catches me ogling her and rolls her eyes. I don't think she has any idea who I am. Damn, that turns me on. I spend most of the night trying to figure out how to talk to her when suddenly she lands in my lap. She's playing a drinking game with her friends and has to get me to kiss her to win. I want to kiss her--passionately--but not when she's this flat-out drunk. I'd at least like her to remember our first kiss. The Next Day Sophie I'm painfully hungover. All I want to do is get done with this meeting, so I can go home and have my friends tell me about the guy I tried to drunkenly seduce last night. All I remember are his eyes--his soft, beautiful eyes. I'm on the field with my new client watching the players practice when the catcher jumps up from behind the plate and starts walking toward me. When he pulls up his mask, the eyes I've been thinking about all morning are staring at me. "Sophie?" he says as a smile

starts curling at the corners of his mouth. Truth or Tequila can be read as a standalone novel or as book one of The Grand Slam Series.

"Wow, wow, wow...So funny, so hot, and so sweet, all in one book.

Seb and Sophie are the perfect match. I read it in one sitting." Reader

Review "I read this author's Trident Trilogy. I loved those books. I was

excited to see what she came up with next. Truth or Tequila is just

what I wanted--funny, sexy, satisfying." Reader Review "I want to play

Truth or Tequila with my friends! Hilarious scene and just a really

sassy, funny book overall." Reader Review

The Naughty List Jodi Redford 2017-12 Makin' a list, and rocking

it...twice. MAKE MINE A MENAGE, BOOK 1 Perpetual good girl

Lacey McGuire has two Christmas wish lists. One suitable for public

consumption...and a private one that's too hot to handle. Right at the

top: wild, wicked fantasies about her best buddies and business

partners Ryan Hollister and Bram Colton. Besides the fact they're

both poster boys for Hunks 'R' Us, they've been there for her through

thick, thin and the heartbreak of a cheating fiancé. So what if her boys

will never know they star in her sexiest daydreams? In her fantasy

world, her heart will never get trampled again. Ry and Bram are pretty

sure Lacey never meant to email a list of some of her raunchiest

wants. Particularly the one that tightens their shorts-she wants a

threesome. With them. Although they've loved her for years, they

made a pact to keep Lacey off limits in order to protect their

friendship. Now all bets are off. And the quest to give her all she

wants-and more-is on.

This Trust of Mine (Raine Series 2) Amanda Bennett 2013-05-21

"Love cannot be defined by age or time, but by the way that person

makes you feel. He made me feel completely vulnerable, but

vulnerability I have learned is a gift, one that I will gladly accept from Madison Raine." Kayla Madison had irrevocably changed me. He opened me up to feel things I had never felt, and he never judged me for my past. In the short amount of time I had known him, I had fallen in love with him and everything he encompassed. He showed me how to live, how to enjoy life, but best of all, he showed me how to love. They say bad things happen to good people, well that saying rang truer to me now than ever before. Madison is gone. He is off at school in Arizona, and I just couldn't bring myself to leave with him. That was my first mistake. See the thing about trouble is, it will always find you. Trouble found me the night he left, and that night forever changed me. Now I am fighting my way back, alone. Madison Leaving Kayla was one of the hardest things I had ever had to do. To say I regret my decision to leave her behind, would be an understatement. My world shifted when I met her and I would forever be changed. Everything felt different now that I was away, everything with her at least. Something was wrong, I could feel it. I needed to go to her to find out what this feeling was, but would she trust me enough to tell me, and could I trust her to forgive me. "When life, love and heart breaking circumstances stand to pull apart a bond so strong, what do you do without trust?"

Bastian's Storm Shay Savage 2014-06-03 Sebastian Stark doesn't think he's cut out for a "normal" life. He'd rather be back on the island with Raine, where it all started. When Bastian's former mentor shows up and presents him with an ultimatum, Bastian slips into old habits and has to throw himself back into his old job: death match tournaments.

After Felix Lily Morton 2020-08-13 Sometimes the best love stories come in two parts. When Felix met handsome journalist Max Travers, it was lust at first sight. It was just his luck that he then had to develop a terrible case of feelings and got his heart broken. However, two and a half years later, he's over all of that. His job is going well, he has good friends, and he doesn't lack for male company. Which, of course, is when Max has to come bursting back into his life. Felix Jackson will always be the one who got away to Max. He's spent their

time apart regretting his actions and hoping for a second chance. When an accident lands him in Felix's less than tender care, Max is determined to grab this opportunity. The only problem is that Felix is equally determined that he doesn't. From bestselling author, Lily Morton comes a story of missed opportunities, second chances, and two very stubborn men. This is the third book in the Close Proximity series, but it can be read as a standalone.

William Shakespeare's Star Wars Ian Doescher 2013-07-09 The New York Times Best Seller Experience the Star Wars saga reimagined as an Elizabethan drama penned by William Shakespeare himself, complete with authentic meter and verse, and theatrical monologues and dialogue by everyone from Darth Vader to R2D2. Return once more to a galaxy far, far away with this sublime retelling of George Lucas's epic Star Wars in the style of the immortal Bard of Avon. The saga of a wise (Jedi) knight and an evil (Sith) lord, of a beautiful princess held captive and a young hero coming of age, Star Wars abounds with all the valor and villainy of Shakespeare's greatest plays. Authentic meter, stage directions, reimagined movie scenes and dialogue, and hidden Easter eggs throughout will entertain and impress fans of Star Wars and Shakespeare alike. Every scene and character from the film appears in the play, along with twenty woodcut-style illustrations that depict an Elizabethan version of the Star Wars galaxy. Zounds! This is the book you're looking for.

This Courage of Mine (Raine Series 4) Amanda Bennett 2015-08-09 *This is the fourth installment in the Raine Series and is primarily Cami and Glenn's story Sometimes there are things that can kill you and sometimes there are things that make you stronger. Meeting Glenn wasn't exactly on my to do list when I went to go visit my best friend in Texas, but that's the funny thing about life. Everything happens when you least expect it. Our love was fast and hard, but it

was everything I could've asked for. Life was picture perfect as I started my new married life with Glenn, but sometimes all good things have to come to an end, or so they say. I wasn't willing to let our marriage short out and fizzle the way my parents' had. I was willing to fight every obstacle that came our way, and there were plenty. But was he? Sometimes you have to find the courage to stand and fight, even when it's a fight that wasn't meant to be won.

Surviving Raine Shay Savage 2013-06-01 "There's a moment when it comes to amazing books... where you realize that the book you're reading completely and irrevocably owns you... [Surviving Raine] has that moment." - Ash the Book Snob As the captain of a schooner catering to the elite on the Caribbean Seas, Sebastian Stark does his best to avoid any human encounters. Interacting with people isn't his thing, and he prefers the company of a bottle of vodka, a shot glass, and maybe a whore. There's no doubt he's hiding from a checkered past, but he does well keeping everything to himself... ..until the night his schooner capsizes, and he's stuck on a life raft with one of the passengers. Raine's young, she's cute, and Bastian would probably be into her if he wasn't suffering from alcohol withdrawal. As the days pass, DTs, starvation, and dehydration become the norm. Even the most closed person starts to open up when he thinks he's going to die, but when she realizes their traumatic pasts are connected, it's no longer the elements that have Bastian concerned. He has no idea how he's going to Survive Raine. "Shay Savage's website almost cockily proclaims that she writes "Fiction with Teeth." HA! Nothing cocky about the truth, my friends. I guarantee, that is maybe the *only* accurate way to sum up the dark, unsettling, exciting,

unapologetic, fascinating, shocking, frank, graphic, primal, crude, sexy, at times horrific, consistently compelling experience that is *Surviving Raine!*" -Elizabeth (Sweptawaybyromance.com) There are moments in *Surviving Raine* that will make you laugh, make you cry, and make your heart (and other parts) clench. This is one you will definitely want to put on your TBR list! -Kassie and Lauren (fics2flicks.com)

The Secret May Archer 2019-04 MicahConstantine Ross is a cocky, provoking little...yeah. And I swear, I'd think that even if his family's business wasn't my biggest competition. It's time someone taught the man a lesson or two about life. At least that's what I tell myself when I offer him a job. Call it my good deed for the year... maybe the century. But now he's in my shop. In my space. In my every damn thought. In. My. Bed. And how the hell am I supposed to resist him?Constantine!ll be the first to admit I've royally screwed up, but what can I say? I was a stupid teen who lost his dad and spiraled out of control. Almost a decade later, I'm still trying to make amends.The last thing I need is my family's arch-nemesis wading into my life like he's got all the answers.Except... I really need money, and the arrogant jerk offered me a job.I can deal with Micah's attitude.My attraction to him? That's different.He's my boss, not my boyfriend.And he's way too old for me. But God, he's gorgeous.Dominant. Compelling.I don't want to want him...But I can't turn away.

[This Love of Mine \(Raine Series 1\)](#) Amanda Bennett 2013-04-17 I needed an escape. An escape from my momma, a woman who cared more about herself than her own daughter. A woman who couldn't stand the sight of me since my father left. A boyfriend who was nothing but trouble. Trouble that I couldn't say no to. Unfortunately, leaving them both would prove to be either the best decision I could ever make, or the biggest mistake of my life. My plan was to escape to the one place I always felt safe. A place where life is simple and quiet, and a place where I could finish my senior year of high school unscathed. Abernathy, Texas was my second home, and my grandparents were the parents I always wanted. There was no one around this one horse town to complicate my life any further, or at least that's what I thought. That was, until I met Madison Raine. He held the power to turn my peaceful escape upside down and inside

out with just one look. He was beautiful, in every sense of the word and with that beauty, came trouble. There were a million reasons why I should stay away from him, but none of them seemed to matter when I caught sight of those emerald green eyes. It was becoming clear that staying away from Madison would be harder than I had anticipated. A past like mine never fully disappears, until you find yourself faced with the irreparable truth that sometimes you have to take matters into your own hands, consequences be damned. Kayla James (KJ) was everything I never knew I wanted. This was the last summer I would be on the farm before I headed off to college, and meeting her was the last thing I expected. I didn't know what had brought her here, and I honestly didn't care. I had my own things to deal with and a relationship wasn't one of them. Little did I know that this girl, would wind up being exactly what I needed in every way possible. Life hasn't always been easy, and telling my grandparents that I was going to college in another state was going to be the death of me, but it was something I needed to do. I needed a life outside of Texas, one where no one knew who I was or what I had lost. Between baseball and my band, I thought I had it made. All it took was one look into those baby blues and I was a goner. I ended up needing her like I needed air to breathe, and everything inside of me wanted to be with her regardless of the outcome. How do you choose between love and life, and convince the one person who trusts no one, to take a chance on you? (This is book #1 of three in The Raine Series. It contains mature language and situations)

Undeniable Madeline Sheehan 2012-12-01 Warning: This is not a typical, sappy love story. This is an all-consuming, soul-crushing, tear-your-heart-into-pieces story. It's intense, gritty and raw, dark and disturbing, and it doesn't happen overnight. This is an epic love story that knows no boundaries and has no time limits. It grows and develops—with hurt, sacrifice, and heartache—over the span of a lifetime. Eva Fox is the princess of the Silver Demons Motorcycle Club. Growing up with bikers in the club lifestyle is all that she knows. When she's a young girl, Eva meets the reason for her existence. Deuce West is the sexy, biker bad-ass of the Hell's Horsemen Motorcycle Club. Like Eva, he was born and raised in the club—but that's where the similarities end. Their first meeting is innocent, but as

Eva matures into a woman, their chance reunions evolve into a fit of lust and love. Fate continues to bring them together time and time again, but their twisted journey is filled with pain, betrayal, and bloodshed that could tear them apart. Eva sees in Deuce what he cannot see in himself—a man worthy of love—and Eva spends her lifetime proving to him that her undeniable love is the one thing he can't live without. This is Eva and Deuce's story. It wasn't easy.

Nothing worth doing ever is. And love is worth everything

What Works in Girls' Education Gene B Sperling 2015-09-29 Hard-headed evidence on why the returns from investing in girls are so high that no nation or family can afford not to educate their girls. Gene Sperling, author of the seminal 2004 report published by the Council on Foreign Relations, and Rebecca Winthrop, director of the Center for Universal Education, have written this definitive book on the importance of girls' education. As Malala Yousafzai expresses in her foreword, the idea that any child could be denied an education due to poverty, custom, the law, or terrorist threats is just wrong and unimaginable. More than 1,000 studies have provided evidence that high-quality girls' education around the world leads to wide-ranging returns: Better outcomes in economic areas of growth and incomes Reduced rates of infant and maternal mortality Reduced rates of child marriage Reduced rates of the incidence of HIV/AIDS and malaria Increased agricultural productivity Increased resilience to natural disasters Women's empowerment What Works in Girls' Education is a compelling work for both concerned global citizens, and any academic, expert, nongovernmental organization (NGO) staff member, policymaker, or journalist seeking to dive into the evidence and policies on girls' education.

Principles on Climate Obligations of Enterprises Expert Group on Global Climate Change 2018-02-16 Climate change is the most important challenge humankind has ever faced. It is commonly accepted that GHG emissions must be reduced at great pace and to a significant extent to keep global warming below 2 (or, preferably, 1.5) degrees Celsius. This can only be reached if the obligations of major players-States, enterprises and investors-are sufficiently clear. The Oslo Principles aim to discern the legal obligations of States. The current Principles focus on the obligations of enterprises and investors. They identify the reduction obligations of enterprises, and articulate a series of related obligations. Investors can-and many already do-play an important role. These Principles aim to provide a legal basis for active investment management and engagement geared at stimulating enterprises to comply with their legal obligations. An extensive commentary further explains the Principles and their legal underpinning. The members of the expert group are Thomas Pogge, Brian Preston, Tianbao Qin, James Silk, Jaap Spier (reporter), Elisabeth Steiner, Philip Sutherland, and Daniël Witte. (Series: Legal Perspectives on Global Challenges, Vol. 5) [Subject: International Environmental Law, Climate Change]

Wrong Kind of Love Amanda Heath 2013-07-25 *This is a new adult romance not meant for those under 18. It contains sex, drugs, and

under age drinking. The first time I ever saw Caden Harper I'm pretty sure I fell in love. All that golden hair and pale blue eyes. He was mysterious and covered in paint. I found it endearing and wanted nothing more than to find out all his secrets. I gave that man things I would never give anyone else. He blew it though. Which I shouldn't be surprised considering he is a womanizer. So I moved on, well kind of. Jaden Harper wasn't what I expected. I found myself drawn to him almost as much as his brother. Maybe it's the fact they are twins or maybe it was the fact I wanted to live on the wrong side for once in my life. Now I've found myself dug deep in this game. There's no end in sight and I wonder when all the lies I have told will come back to haunt me. Neither man should know the things I've gone through. Neither should trust me. I'm not who I say I am. My past is full of things I won't ever share. But where will that lead me when Caden wants nothing more than to consume me? He won't wake up to see he has the wrong kind of love. My Name is Grace Breadfield and this is my story. *While this title is a part of the Young Love series, it can be read as a standalone. There is a HEA and no cliffhanger.

Lost Knowledge of the Imagination Gary Lachman 2017-10-19 The ability to imagine is at the heart of what makes us human. Through our imagination we experience more fully the world both around us and within us. Imagination plays a key role in creativity and innovation. Until the seventeenth century, the human imagination was celebrated. Since then, with the emergence of science as the dominant worldview, imagination has been marginalised -- depicted as a way of escaping reality, rather than knowing it more profoundly -- and its significance to our humanity has been downplayed. Yet as we move further into the strange new dimensions of the twenty-first century, the need to regain this lost knowledge seems more necessary than ever before. This insightful and inspiring book argues that, for the sake of our future in the world, we must reclaim the ability to imagine and redress the balance of influence between imagination and science. Through the work of Owen Barfield, Goethe, Henry

Corbin, Kathleen Raine, and others, and ranging from the teachings of ancient mystics to the latest developments in neuroscience, *The Lost Knowledge of the Imagination* draws us back to a philosophy and tradition that restores imagination to its rightful place, essential to our knowing reality to the full, and to our very humanity itself.

Hoosiers and the American Story Madison, James H. 2014-10-01 A supplemental textbook for middle and high school students, Hoosiers and the American Story provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as

both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.
